**SACRAMENTO WOMAN SENTENCED FOR AGGRAVATED IDENTITY
THEFT, FRAUDULENT USE OF A U. S. PASSPORT, BANK
FRAUD, AND OTHER FELONIES**

SACRAMENTO--United States Attorney McGregor W. Scott announced that JENNIFER LYNN BORSHEIM, 22, was sentenced today to 30 months imprisonment, a 5-year term of supervised release, and restitution by United States District Judge Garland E. Burrell for fraudulent use of a U.S. Passport and identity theft crimes. BORSHEIM's crime partner, JUSTIN JOHN DOBROWSKI, 24, was sentenced on August 4, 2006 to 51 months imprisonment, a 5-year term of supervised release, and restitution for his involvement in the passport misuse, and identity theft crimes. DOBROWSKI was on California state probation for fraud offenses at the time he committed his offenses.

The case was investigated by the United States Postal Inspection Service, with the assistance of the Sacramento County Sheriff's Department.

According to Assistant United States Attorney Michelle Rodriguez, who prosecuted the cases, BORSHEIM was convicted on August 4, 2006 for offenses relating to her participation in the criminal conspiracy with DOBROWSKI. Using a stolen U.S. Passport and other identification documents, BORSHEIM cashed stolen and fraudulently made checks drawn on victim accounts.

DOBROWSKI was convicted on May 19, 2006 for his scheme to commit bank fraud with a stolen U.S. Passport, checks, and financial information. These items were stolen during a mugging and during robberies. Some of the items were also stolen from the U.S. Mail.

DOBROWSKI and BORSHEIM altered stolen checks, then forged and attempted to cash the checks to defraud retailers in the Sacramento County area. They used stolen victim identifications to pose as true account holders in order to cash the checks and use the credit cards. In sum, each defendant was convicted of two counts of bank fraud, one count of aggravated identity theft, one count of conspiracy to possess stolen United States Mail, one count of credit card fraud, and one count of misuse of a U.S. Passport to commit unlawful acts. They possessed over 15 stolen credit card account numbers and victimized over 50 individuals in committing the crimes.
